Public Services Director, Tony Cinquemani states, “Due to the heavy volume of material currently being processed, collection is two days behind schedule, therefore, pickup in Area III for the week of December 12 may be delayed. City crews are utilizing every piece of equipment available for leaf collection as well as alternate resources to facilitate the quickest pickup process for residents. Collection typically begins on the Monday of each week and continues throughout the week until crews have passed completely through each area at least once.”
